CHANGES TO FINAL NOTICE OF SALE PACKAGE OCS OIL AND GAS LEASE SALE 186 BEAUFORT SEA ALASKA OCS REGION

Official Protraction Diagram NR 06-04, Flaxman Island, Partial Block 6901 B

Please note that page 9 of the **Blocks Available for Leasing** document contains an error under the listing of Partial Blocks for Official Protraction Diagram NR 06-04, Flaxman Island. The partial block identified as “6901 B” with 4.413421 hectares was erroneously included as a partial block available in Zone B. This partial block is correctly included as part of a bidding unit in Zone A on page 4 of the block list under NR 06-03, Beechey Point, Bidding Units, and correctly identified there as “6901 C (NR 06-04)” with 4.413421 hectares.

MMS regrets any inconvenience caused by this error. The **Blocks Available for Leasing** document posted on our web page at <http://www.mms.gov/alaska> was corrected on September 8, 2003, to reflect this change. Earlier versions, including the version previously mailed as part of the Final Notice of Sale Package, include the erroneous listing.
